

Silent Tools™ Plus

Quick start guide

1 Login

To register you need to have a Sandvik Coromant user account. Register online at: <https://www.sandvik.coromant.com/en-gb/pages/newuser.aspx>

2 Activate

Next step is to register your tool to activate the license: https://www.sandvik.coromant.com/en-gb/products/silent_tools_turning/Pages/activate-silent-tools-plus.aspx

Serial no.

3 Download and install

Use a device running Microsoft Windows 10. Download and install the software from Microsoft Store: <https://www.microsoft.com/store/apps/9PJCGTCHQMXN>

4 Start using software

Find the Silent Tools™ Plus in the list of available tools and connect. Apply the license key, from the registration mail, when prompted.

5 Safety

Read the manuals for safety and correct use of the equipment. Manuals in different languages can be found at: www.sandvik.coromant.com/silenttoolsplus

6 Charging

Unpack battery and charger and start charging of battery. See battery manual for more information.

7 Support

If support is needed, contact your local sales representative or use the support mail on the web: https://www.sandvik.coromant.com/en-gb/products/silent_tools_turning/Pages/activate-silent-tools-plus.aspx
